

**MORE FLAVOR. MORE MEAT. MORE VALUE. LESS FANCY-PANTS.**

# PO' MAN

**COOKIN' IN A CAN**

**CHARCOAL GRILL & COOKER**

*Cross section for reference only. Your can will not be cut in half or contain these beautiful cuts of meat!*

## TRASHCAN GOURMET.

Po' Man makes meals fit for millionaires, it's simple to use and holds more meat than you can shake a skewer at. Make mouth-watering, fall-apart pork, beef, poultry, fish and vegetables to satisfy your uppity connoisseur and inner country boy.

## "PO'MAN" IS A NOUN AND A VERB. IT'S A METHOD AND A MINDSET.

Light the coals, add the meat, tilt the lid and forget about it. Po' Man is on autopilot. That leaves plenty of time for flip-flops and long necks, hunting, fishing, golfing ... or just kicking back with family & friends. The shenanigans you get into while your Po' Man cooks are up to you.

**Perfectly portable & Simple to setup**

**Huge capacity for all cuts of meat & vegetables**

**Patented flavor-lock and flow for hassle-free deliciousness**

**Burn cheaply with plain charcoal & rubbing alcohol**

- Cold rolled steel can - NOT galvanized
- High-temp BBQ paint
- Chrome plated steel grill rack
- Stainless steel skewers

*Watch the how-to video online*

## INSIDE THE PO' MAN GRILL

The Po' Man Grill assembles in seconds. It accommodates hanging wings, ribs and chickens & has multiple levels for cooking large cuts like turkeys & butts. The Po' Man's patented design & flavor-lock plate reduce charring, seal in flavor and eliminate hassle. It's a man's crock pot.
